Experience

Internship studio

Data Analytics Aug 2024 - Dec 2024

I'm Saiteja Gundeti, a B.Tech 3rd-year student at SR University, currently working as a data analytics intern at Internship Studio. In my role, I interpret data trends and provide actionable insights to support decision-making. My responsibilities include data cleaning, working with various datasets, and generating reports that align with Studio's objectives. This experience is enhancing my analytical skills and my ability to communicate complex findings effectively.

Skills

- Java
- Dsa
- Html,css,js
- My sql

Project

Personal Expense Tracker

A Python application that helps users manage their finances. Users can add expenses, categorize them, and view summaries of their spending habits. This project utilizes data structures to efficiently manage expense records.

Online quiz application
